

Knitted Together for God's Good Work through Our Finances

While 2020 was an unprecedented year, you ladies came through! I want to recap what the Harpeth River District UMW did financially.

In a year where meetings, mission studies & fundraisers had to be cancelled, we all worked together to fulfill our pledges as best we could. The Harpeth River District Pledge to Missions to the TN Conference for 2020 was \$25,000. Our total Pledge to Mission giving was \$22,265.75. That is 89% of our pledge. That is wonderful!

In addition, a total of \$1,363.00 was given to Beersheba Springs, Red Bird Mission, UMCOR, Bethlehem Center and the Sadie Tillman Scholarship at Martin Methodist. \$300.00 was sent to the Legacy Fund. We had 8 units that filled out a Five-Star Giving Report. They will be recognized for their contributions to all Five Channels of Undesignated Giving. The units are listed below and will receive their certificates at the 2021 District Annual Meeting in September.

Bethesda UMW
Centerville UMW
Coleman Memorial UMW
Columbia First UMW
Lawrenceburg First UMW
Lobelville UMW
Prospect UMW
Riverside UMW in Columbia

*I realize we do not know how 2021 will transpire; we will just have to wait & see. I do know that our God has put us on this earth to do good for one another, whether next door or around the world. I think we need to continue to pray for God's guidance, so we can support United Methodist Women in our missions through financial giving to help women, children and youth. I think that is what our theme for 2021 means: **Knitted Together for God's Good Work**. I look forward to seeing you and working with you this coming year no matter how that happens.*

Blessings to you,

*Debbie Miller
Harpeth River District Treasurer*
