Introducing Jane Rubietta:

Jane Rubietta speaks internationally, and is an award-winning author with 21 books to her credit, four on the UMW reading program (Worry Less So You Can Live More, and Heartbeat of a Mother most recently). A UM clergy spouse and the mother of three (tall) grown children, Jane's hilarious and filled with hope. You'll think she's been reading your journal because she gets you. Then she just loves and blesses you. Audiences suggest a backup career in stand-up comedy if she runs out of anything else to do. "Have you been reading my journal?" people ask as she shares her own zany battles with life. Find more at JaneRubietta.com Jane will also bring her highly acclaimed books and CDs to our retreat together, including three from the UMW Reading Program Quiet Places, Worry Less Live More, and Heartbeat of a Mother. Brilliance is her newest release. A couple of fast sweet clips of endorsement that showed up on social media today: "you are in for a rip roarin heart healing treat." Joni Tr, Clergy Spouse "You will fall in love with Jane and, even better, with the God who loves and treasures you. Get ready for still waters and green pastures...and hilarity:)" Audrey G.
