

The Power of One

Can you imagine what our lives would be like if Jesus, *one* man, had not taken on an earthly form, recruited disciples, died and rose again? What if the 12 disciples had each said, “No” when asked to be “fishers of men”? It would have been hard for Christianity to come about if not for this *one* and his many followers who said, “Yes.”

Over the next few weeks, the district nominations committee will be calling and asking for volunteers to serve the district in various offices. If everyone asked said NO, how could our organization grow and thrive? In a time when things are changing, why not be the *ONE* who says YES whenever asked to volunteer?

The rewards are many! You get to travel throughout the Harpeth River District and meet wonderful people. Events are held at different churches throughout the district. You get to see the countryside as well as the beautiful churches who are the hosts. Of course, you get to make new friends and see what other units are doing. In addition, this is an opportunity for you to make a difference in the Harpeth River District.

As we plan the coming year, please think about becoming a part of the Harpeth River District Leadership Team.

We all look forward to seeing each of you at the Mission Study in August and the District Annual Meeting in September.

Judy Davis, Committee on Nominations Chairperson
